

# Applied Behavior Analysis Technician<sup>®</sup> (ABAT<sup>®</sup>) Supervision Rate Card 2023

The supervision rates below are applicable for candidates that would like to, **upon completing the course**, pursue the ABAT<sup>®</sup> credential from QABA.

## **Competency Assessment (Pre-Credential)**

The Competency Assessment refers to fieldwork supervision that is required for the candidate to be eligible to apply for the ABAT<sup>®</sup> credential.

For candidates who attended the ABAT<sup>®</sup> 40-hours training with SEED Autism Services

- RM 100/hour within the two (2) months of course completion
- RM 130/hour after two (2) months of course completion

For candidates who did not attend the training with SEED Autism Services

- RM 150/hour

## **Ongoing Supervision (Post-Credential)**

The Ongoing Supervision refers to supervision to maintain an active ABAT<sup>®</sup> credential and this could be on a monthly or bi-monthly basis.

For candidates who attended the ABAT<sup>®</sup> 40-hours training with SEED Autism Services

- RM 130/hour

For candidates who did not attend the training with SEED Autism Services

- RM 150/hour

These Ongoing Supervision rates are also applicable for RBT<sup>®</sup> certificants.
